Our facilities are intended to be accessible for the University community and our guests. Should you find non-university students, homeless individuals, or other non-University people in the building for no purpose relating to the University, and/or they are not accompanied by a member of the University community or considered a guest of the University, you may ask them to leave the building.

You have a right to ask for a University ID, and may ask them to leave the building if they are loitering in the halls, stairwells, entrances, lounges, the Titan Underground, or any room in the building. We ask that you be polite, but firm when you need to ask individuals to leave the building. Do not hesitate to call University Police (phone 1212) if you need their assistance with any individuals you believe present a risk in confronting, or if you are uncomfortable in any way with the situation.
