

Requests for Exemption from \$150 Titan Dollar Program

Students who live in the residence halls automatically receive \$150 Titan dollars each semester to use for conveniences and amenities on campus (i.e. - laundry, food, books, etc.). This is a condition of signing the residence hall contract. The charge for Titan Dollars appears on the student account each semester the student lives on campus. Requests for exemption from the Titan Dollar requirement may be directed the Director of Reeve Memorial Union/University Dining (ph. 424-2346).

If the student is not satisfied after consultation with the Director, and the request for exemption is denied, the student can request one final appeal. The final appeal is directed to the student appointed Titan Dollar Appeals Committee. This committee meets weekly at the beginning of the semester and as needed later in the semester.
